

Proven Healthcare Solutions is a best-of-breed company whose 30+ years experience has focused on hospitals and healthcare systems.

We don't just talk healthcare;
we live it on a daily basis, just as you do.

Our unique 360 degree clinical and operational approach, combined with our powerful electronic and data-driven toolsets and clinical, operational and financial in-house experts, enables us to rapidly develop site-specific best-practices for your hospital's Admission Review Program and implement them quickly and painlessly.

We do business the old fashioned way, by providing high quality services and solutions at a fair price. We don't spend your money and our time on unnecessary consulting hours.

When you work with Proven Healthcare Solutions (PHS), you are dealing with professionals of the highest caliber who are 100% committed to service excellence.

Admission Review Service:

PHS provides you with the option of having our experienced staff review all potential inpatient admissions at the point of service - your ED 24x7x365, or provide a menu of just in time Admission Review Services to your facility for night, weekend, holiday, specific shift, vacation/leave of absence coverage, or any combination that meets your needs. PHS is your total admission review solution.

Our experienced reviewers use the latest evidence-based screening criteria to ensure the highest level of compliance.

Service Guarantee:

PHS is committed to providing your site with a determination within 30 minutes or less, depending upon the complexity, of receiving your request and supporting clinical documentation.

Reporting:

We provide site-specific reports on a regularly scheduled basis to update you on your site's and PHS' performance.

Proven Healthcare Solutions is a customer-centric company which will meet on-site with your hospital team to discuss current performance and identify opportunities for improvement and enhancement.

We guarantee that your account will be managed by a dedicated senior level employee, who will be your personal account manager throughout your relationship with Proven Healthcare Solutions.
